“ I'm so sorry I did not know about Gladys' death until today. I loved her dearly. She was such a wonderful person and was so very good to mother when she was ill so long with cancer. And, of course she was such a blessing to all of us who grew up in church under her guidance. I know the Lord is welcoming her with open arms. May God bless you all!

“ I'll always remember visiting uncle Frank and aunt Gladys, they were always such happy people and lot's of fun to be around. I would go over and have dinner with them when I visited my great-grandparents during the summer, aunt Gladys was always so sweet and she would cut up peaches for me and we would talk for hours. I know she's in Heaven listening to uncle Franks jokes now-They will never be forgotten!!!!

“ I remember Gladys from my grandmothers beauty shop in Streetman and then gained a closer relationship with her when she picked me up each week for Mission Friends at church. I always felt we had a special friendship that remained even after I became an adult. She will be greatly missed and her warm smile and big heart will never be forgotten.
