“ *Mr. Wiggs was across the hall from my mother at the nursing home. He was a very nice man. He brought my mother coffee after she had been in the hospital and was unable to go and get it. I am sorry for your loss. God Bless your family in your time of sorrow.*

“ As a former employee of Heritage Oaks West I knew Glenn as my friend, and will miss him dearly. He was an avid "Aggie" fan and I am a "Longhorn" fan. He used to drive by my office on his scooter and holler out "gig 'em".. I in return would sneak up behind him and tape longhorn stickers to his scooter. When he would find them, he would always come pay me a visit. I will certainly miss my friend. "Blessed are those that mourn, for they shall be comforted."
