“ Our thoughts and prayers are with you and your family at this time. Faye was a very thoughtful neighbor while she lived at the lake. We all loved her and will always have a warm place in our heart for her. She was always a very caring person that had everyones best interest at heart. We are so sorry that she had to spend her last days in pain, so now **MAY SHE REST IN PEACE WITH HER LORD.** Holly, please keep in touch!

We missed her when she moved to Plano and will miss now. She is in a better place without pain. Keep her memory alive with Cooper as she had waited for that grandchild to love and spoil. “ Holly, Your mom was a treasure and I'm glad I got to share so many good times with you and your family. I think of her as my own second mom. So many fun things to remember that I know you're memories will keep you, Steve, and Cooper smiling for years to come. Whenever I think of Mrs. Herod, I most remember her kindness and generosity. She was the consummate hostess. No one ever went hungry at Holly's house, and you always felt like family. I am sorry I couldn't make it down to be with you. Please know that you are loved.

“ Holly,
Cherish your memories and pass them down to your children. My favorite memory of Faye is coming in our house in the winter and laying down on the floor in front of the wood heater to get warm after feeding their cows. She will be greatly missed. Our prayers are with you.

“ Faye was a wonderful neighbor and such a sweet person. She was always willing to do whatever she could to help anybody out. We have already missed her not being in the neighborhood; however, we are thankful that she is not suffering any more. Faye has had her final victory and will celebrate her sweet spirit with the Lord.

“ As a member of the worship team that conducted services each Wednesday at Evergreen, I came to know Gloria as a dedicated Christian with a God given beautiful voice which she lifted in praise to our Lord. She became a part of our worship team not only at Evergreen but at another retirement community as well, each Wednesday singing glory to Him. Gloria was a friend, a sister in Christ and I shall remember her for her warmth, sincerity and caring concern for others.

“ Holly, My thoughts and prayers go out to you and your family. Your mother was a wonderful lady. She always made sure we had great time when I would come over to your house whether it be taking us swimming or just making sure we had plenty of clothes to play dress up in. I know your heart is breaking right now but remember you will see her again and she won't be in any pain anymore. May God comfort you and see you through this.

“ Our loss is heaven's gain! Holly, you are in my prayers as I can't imagine how tough it must be to part with your mom...I'm sure there is relief in the fact that she isn't suffering anymore but sadness that she won't be there to share life with your precious son. You'll have to keep her memory alive with him through the stories and pictures you share in the years to come.

“ Holly & Family,
I was so saddened when I received the news about Gloria. I appreciated the E-Mails, because I had you both on my mind for several months. Gloria was a lovely person, with a very BIG heart, always putting others first. I will always remember her pretty smile. I know God's loving arms will be around each of you during this difficult time.

“ Faye was a very good person. She always thought about other people first. She was thrilled when she had Holly and I know she looked forward to having a grandchild. I wish she could have been with him longer so he could see the GREAT grandmother he is going to miss out. Prayers go to Holly and her husband. May they put their faith in HIM during this time of loss.

“ *Our Aunt Gloria was an Angel given to us to teach us love. She gave love without condition and inspired without reward. She taught us many things throughout our lifetime (especially those ?hints from Heloise ideas?) and we benefit from her beauty and we will never stop missing her. She was definitely an Aunt who played her role quite well. She loved, laughed and let my parents do the hard work of disciplining. She treasured my sister and I and when we married she has loved our husbands just as she does us. Her family and friends along with her faith in God was the most important part of her life. We treasure our family and promise to carry her memory throughout the years to come. We thank GOD she was a part of our life.*

“ Holly,
Just know that you are in my thoughts and prayers. It was good to see you and your mom a few months ago. I had heard that her health was not good but she looked good when I saw you all. It will seem like that hardest thing you will ever go through but with time God will take you to a time when the tears won't come so often. It has been three years since he took my grandmother home and everyday seems to come a little easier. I still have my days and you will have yours. Just hold your baby and tell him all the great stories of her. That's about the only way I get through the days. I will be thinking of you.
