“ *I will miss Ms. Golden very much. I always stopped in her room and spoke with her on my way to see my mom next door at HORV. I will miss taking her candy too. She was a very sweet lady.*

“ *All, I have just read this and am so sorry I did not hear of it earlier. Please know that you all are in our thoughts and prayers. It was just the other week I was thinking about the day we all went out to Zion's Rest after one of the family reunions and how much I do miss seeing everyone. God Bless, Dana Stubbs (daughter of Alice Barham Bell)*

“ I shall never forget those fun summers long ago as a young teen working, but mostly playing at the ranch. I couldn't hardly wait until meal time. If Harold and I caught or shot it then Aunt G would always cook it for us. I recall the first time seeing her cook frog-legs and one jumping out of the pan I though it was a miracle, she later told me it was just the hot grease that caused it to jump. I will always remember those times I spent with her and an abundance of time, kindness, and love she shared with me. I will always miss you but never forget you. God Bless You Aunt G.

“ Dear Betty Ann & Bud,  
We know that this is a sad time in all our lives, however we thank our Lord for Golden's life. As we think of all the good times we all shared and the wonderful cook that she was, and how she loved for all her and Johnnie's brothers and sisters to meet in her home for games of thirty one or forty two. We can all remember how she took care of her mother and anyone else who needed her. We truly will miss her and you will be in our prayers and the days go by you will have the sweet memories of your mother who loved you all and all her grand children as well. Most of all we are so thankful for her faith in Jesus Christ and how she shared that with others. Not preachy, but by example. We love you all and May God Richly Bless each of you with His comforting Spirt.  
Love Uncle Bobby & Aunt Nellie
