“ *TJ and the entire family(s), We are so very sorry for your loss and everything involved in this unfortunate and untimely event. There are no words to be said that can take the hurt and pain away. We don't always know or understand why things like this happen but we have to keep our faith in knowing that God has a plan for us all. Hopefully you all can find peace in knowing that you have a huge network of friends and family that you can lean on for support in this difficult time. Rest assured in knowing that this lil man is in a better place and already reunited with his grand-dad Clyde, and I know Clyde will take him under his wing and take care of him until you all can be reunited with them both again. We will keep you ALL in our thoughts and prayers. Bodie Travis and family*
