“ *Hi Halston,*

I hate to see you leave this world, Cuz, but I know that you are in a better place. I know some of the heartache you've been through and I wish I could have been closer to help you through it all. God has all the RIGHT answers, but we seem to forget HIM when you are suffering. I know without a shadow of a doubt that you are with Jesus now and you are no longer hurting. I love you Cuz!

“ *Im so saddened and shock to hear of Halstons passing. He was such a smart kid. I remember him coming to my dads and he was about 12 years old and we got a new computer, and he had to help us set it up. He was a very very smart kid. He even made a website about a paper he had wrote. Jerry and family we will be praying for your family during this hard time. He will be missed but never forgotten.*

“ *Karen & Family*

We just found out about Halston...

We are so sorry for your loss. It seems just like yesterday when I was babysitting Halston and Sissy and they were at my house. Ours hearts go out to you and the family.

Remember, Nothing that is loved is ever lost...No one who has touched a life who brought beauty to the world is ever truly gone.

Those we cherish will always live in our memory and treasured in our hearts. We hope somehow in time in some small way your heart will start to heal and the sorrow will ease.

Our heart and soul are with you....

“ Karen,
There is no words to express the loss of your beautiful son, Halston.
God Bless You All...
He'll Always Be With You
My eyes filled up with tears as I heard the news It never occurred to
me, how
much I could lose. I find myself wishing
that it wasn't real. Every time I think
about it, pain is all I can feel.
Tears fall from my eyes, I can barely see, but my heart tells me that
he'll
always be with me.
I'm glad he feels no pain now- he lives in a perfect land.
I can still feel the soft touch on my shoulder of his loving hand.
I lie in bed and cry at night,
and I don't feel any better in the morning light.
And I will love and miss him forever..
Until the day we are again together.
Together in that perfect place above,
Filled with caring, sharing and love
But until that day comes- I will wipe my tears away.
And hopefully see him again someday..

If you need anything we are always here

“ He was a young man who had very ambitious goals in life. While he
is gone in body, he will remain forever in our memories. We are
sorry for your loss.
