“ *Hulon and I liked Harold from the first time we met him and as we got to know him that like turned to love. He was a kind and generous man and always had time to listen to any request or idea. His smile could light up a room! We missed him the times he could not come to CCC and were overjoyed when he was there. Meredith, we love you and are praying for you.*

“ *Meredith, I can't begin to tell you how my heart breaks for you and your family. I remember all the many times you shared with me how very much you loved Harold and what a wonderful husband he was to you. I know he loved you dearly also, because it was written all over him, when he looked at you. You both were blessings sent from God above, for each other. Please know that I am praying for you Meredith, as God leads you through the days ahead. One thing we both know is that Jesus is the ONLY One that can carry us through times like these. I love you dear friend!*

“ *What a lovely man! I met Harold through my job a number of years ago & liked him immediately. We could chat like we'd been friends forever. Meredith, I am so very sorry & to all of Harold's family, I know that this is a huge loss for all of you. He fought so long & so hard. Thankfully, we all know that he is resting easily now in God's arms.*
