Beautiful tribute. The service was beautiful, too. His grandsons look a lot like him which I didn't know. Such precious memories of such a good man. Did i mention his smile could light the whole room?

“ *When I would visit my grandparents as a youngster, my grandmother and I would walk to Blooming Grove carrying eggs. We would go around visiting her friends and then head to the grocery store. Grandma would pick up the things she needed and we would have an RC cola while we waited for it to slow down enough for Don to give us a ride home. Praying for all his family.*

“ Our family used to buy groceries from their grocery store in the 60's when we lived in Daddy Drew Gillen's place on highway 55. Don was a very nice person as well as his father. So sorry to hear about his passing. Prayers for his family.
