“ I worked with Harold for 5 years at Workforce Solutions. Harold was so sweet and dedicated to helping everyone no matter who they were. Harold had an unusual sense of humor and would joke about his use of the computer. He loved his dog and would show pictures on his phone. I will sorely miss seeing him at Brookshires. Rest In Peace until we meet again.

“ Harold was my coworker at brookshire's and he was a sweet man, and very caring towards everyone, making sure nobody older than him would take their own grocery's out. always helped as much as he could.

Harold and I would always gossip together and laugh at the same things. and would ALWAYS pick at our other friend, Nelly. Harold would always tell me when I came in later than him “good thing you're here because the others are annoying me.” we'd laugh and continue with the rest of our shift.

Once i see the bus pass by and drop him off an hour early to work, i knew it was going to be a good shift.

I'll miss you Harold :)
