“ *I can't be there to help honor your loved one but know our Lord has a promise I carry with me always -- "(Jos 1:9) I've commanded you to be strong and brave. Don't ever be afraid or discouraged! I am the LORD your God, and I will be there to help you wherever you go." My prayers are with you and your family as you step through the days ahead.*

“ I am so very sorry for your loss. You are all in our thoughts and prayers.

I remember as a teenager, Harris would always get onto me about how short my dress was! We would banter back and forth, it never occurred to me that maybe he was right!

He always made me feel like part of the family, even when he was delivering newspapers, I went with him and one of the girls, I had to roll and rubber band them - quickly. I still had a good time as always with Patsy and Harris...I only have wonderful memories of time spent with the Griggs family.
