“ To my Sister & Brother:
Words cannot express how deeply hurt and sorry I am. Please know that I am here and will always be. Heath will be missed so much. The only comforting thing that has come of this is the thought of him getting to be with Daddy. He always tried so hard to be just like him. Now he can really meet his idol. I love you and I am so sorry Mel. and Steve. This shouldn't have happened!

To Whitney: I am so sorry for this! Such a tragedy to a wonderful, beautiful person. Please be strong for the boys! They will need you more than ever now. Never let them forget their Daddy!! I know this is going to be tough for you, if you need anything, please call.

To Heath:
I am very shocked of your passing! I can't believe it was your time! This is not right. I love you and I will miss you so much. I wish we had more time together. You were a wonderful person and will be missed by so many.. You will never die in our hearts and our memories! I love you!!

“ To the entire Skinner family;
I do hate to hear of this tragic news. Heffy and I were very close for several years, through tough times and easy. There were few so close to my heart. The past few years have been very distant, but I believe that we would have been there for each other no matter what else had occurred. He is a very loving man and he will be greatly missed by all that knew him. Our prayers are with you all.
With unfailing love,

“ We are so sorry for your loss. I know how hard this is on you. I have been through this myself. I know that the last thing that you want to hear is that everything will be okay, because right now, to you NOTHING is okay. But, over time, it will be. I can tell you this from having been through it. May GOD always watch over you and your children.

“ There are many different kinds of love. There are those that we are required by blood to love, those that we choose to love and then there are those that we love simply because they are. There isn't a person that I know that hasn't loved Heath Skinner within the first five minutes of meeting him. After one conversation you'd swear you'd known him since you were kids, which many of us have. If there is one person that has ever truly enjoyed life, it's Heath. He had the biggest personality I've ever seen and an even bigger heart. He was like a magnet, he just drew people in. If there was ever anything interesting going on in Corsicana Texas, you'd know Heath Skinner had something to do with it. Just having him know your name felt like an honor. Once he made you his friend, you're his friend for life and there isn't anything he wouldn't do for you. He'd have your back in a fight, give you a ride to anywhere you needed to go and give you his last dollar if he thought you needed it. I can't recall a time in my life that I needed Heath and he wasn't there.

I have so many memories of this man that I don't even know where to begin remembering. Getting to have him in my life has been such a privilege. I'm so thankful that I can look back on my childhood and know that Heath was a part of that. It's not real to me yet that he's gone. That the next time I come to Corsicana to see the old gang, I won't be looking for his truck driving down 7th. I won't be able to have a drink with him at Max's or dance with him at Mudhole. It doesn't seem very fair does it? How could we all so quickly be deprived of this wonderful human being? I don't understand and maybe I never will. I'm just glad I knew him.

“ Good-bye my Friend

*I sit and try to write the words,  
I want your heart to hear.  
Hoping to find comfort,  
In the fact that your not here.*

*I do believe with all my heart,  
That your soul has gone to be,  
with all the other angels,  
That you were meant to see.*

*We will have to stay behind,  
Until God calls us too,  
so do not be afraid,  
That he only called for you.*

*One day our eyes will shut  
For the very last time,  
and you will come greet us,  
In Heaven?s very long line.*

*Until then sweet angel  
We will keep trying to see through the tears,  
with memories you left behind,  
To reflect through the years.*

*We will never forget  
One minute we spent,  
of loving and laughing,  
And the places we went.*

“ Dearest Whitt, Mel, and precious children...Words cannot begin to express the hurt in my heart for all of you at this unimaginable tragic time of loss. I always loved Heath like an adopted son. I was privileged to watch the love between he and you bloom, Whitt. He was so in love with you! You are strong, Sweetheart! If there is one thing I know, it is that you have what it takes to raise those babies and to make a good life for all of you. Hang in there. God will supply all your needs as you rely on Him. Mel, I have such pain for you. You and I always had so many things in common, but one of the main things we shared, was the fact that we were both single moms trying to raise good kids on our own. You raised a wonderful man, Mel. Just look at his legacy...God bless you all and keep you in His peace. I love you, Heffy! Thanks for all the memories...

“ This is a poem that was given to me when I lost my father. I know that the boys are too small to know the meaning of this poem but here it is:

*FAMILY CHAIN*

*We little knew that morning,  
God was going to call your name.  
In life we loved you dearly,  
In death we do the same.*

*It broke ours hearts to lose you,  
You did not go alone.  
For part of us went with you,  
The day God called you home.*

*You left us beautiful memories,  
Your love is still our guide.  
And though we cannot see you,  
You are always by our side.*

*Our family chain is broken,  
And nothing seems the same.  
But as God calls us one by one,  
The chain will link again.*

*Author unknown*

*Whit I am here for you if you ever need me. Just let me know, day or night! I love you girl! Samantha*

“ To the Skinner family and Heath's many extended family and friends- May God Bless you and comfort you during this difficult time. Heath was one of the first friends I made when I moved to Corsicana. We spent many hours cutting up in class. That was just the kind of guy Heath was. He always made everyone around him feel comfortable and wanted. The many times I have run into Heath since high school he has bragged about Whitney and his boys. I know that he loved you very much. Although, the Lord has taken Heath away much to soon he has given us many years of memories, and two precious little boys. (I'm sure the new baby girl will be precious too.) You all have been in our thoughts and will remain in our prayers. God Bless.

“ To Mel, Janice, Andy, and all family and friends,  
Getting to know Heath was a true gift from all of you to me, thanks for sharing him with me. When we worked together, each morning was full of laughter, and a greeting of "Good Morning Darlin'.....Heath always had a story and to say he loved his family are mere words.....Heath loved you so much ,Mel, he sat you on the highest pedestal, you were adored. He loved all of his family and talked of you all.  
I spoke with Heath last summer and he was just beaming about his wife and two babies, telling me to come visit anytime...  
I told him I loved him and was so happy for him, and he said love you too Darlin'...  
Whitney, I am so sorry for all you are feeling, and even though we never met, if you need anything, let Andy or Janice know.  
Mel, I love you and asked Mom to keep an eye on Heath for you, until we meet on the other side.....may God hold you all in the palm of his hands.Love you all, Lisa

“*Mel and family, I have a heavy, sad heart and mourn with you. Heath was always warm and affectionate toward me, always a gentleman, and had a special way of saying, Aunt Jennifer, that will forever touch my heart. He took advantage of every opportunity he had to visit with me when I came home to Texas to visit and we were able to exchange Christmas wishes by phone on Christmas Day. He was excited about the upcoming birth of his daughter and his voice was as full of vigor for life as ever. Heath holds a special place in my heart as a nephew and will be missed. I believe Heath is in a better place than we can image and as one Diamond Rio song puts it, "God only cries for the living...because it is the living who are left to carry one." I regret that I cannot be with you at this time, but know that I am there in spirit and prayer. May you find strength, peace, and healing in God. All My Love, Jennifer*

“Mel, you raised a very awesome man. I hope I have half of the luck raising my boys as you did Heffy. Whittney, I know we were not that close and hardly saw each other but if you need anything just let me know. When I was going thru all of my health problems I kept telling myself that God will not give me anything that I can't handle. This is one of those times. I can't imagine what you are going thru. God will help you through this. I am very honored to have known Heffy. He was a great man. There are so many memories that tons of people have of him. He pulled us thru some of the toughest times in our lives no matter what the situation and he did it with a smile a hug. Seeing all of the people and cars yesterday told me that he was still loved by just about everyone in Corsicana. We love you Heffy and will miss you until God takes us home to be with him. I will see you then.

“Heffy, I will miss running into to ya around town, seeing you at Max's and having a drink. I enjoyed the times we spent together. There is not a regrettable momment at all. Seems as though daily life got i the way and I didn't see you as much. I wish i would have slowed down and taken the time. If I learned anything from you it is that one should slow down and enjoy life for what it is. All that i ask is that you have one in the cooler for me when I get there. love ya brother.....

“I knew Heath through our moms, and in high school he and my sister Jaclyn were really close friends. Heath was an all around good guy. He had tons of friends and everybody I know that knew him loved him. I was surprised when Mama called me and told me the news. Heath had been to our house so many times he was like a part of the family. I remember all the hell he raised with Jackie and her friends. He was a great guy. I will always remember Heath as sort of a good 'ol boy and I think he'd want it that way. Melody, I know there is nothing as hard as losing a child. To Heath's wife, I know it is hard losing your husband and your kids to lose thier daddy. Although I have never met you, you and the kids are in my prayers. Melody, I'm praying for you too girl. It may be goodbye for now, but not forever because we are all gonna see him again in haeven someday. Y'all be strong and God will help you get through this.

“ To the Skinner Family,

*I am so sorry for your loss. I can't imagine what you all are going thru. I just pray that God will bring you all thru this and one day you can all look back and remember things about Heath without it hurting as much as it does now. Melody, I don't know if you remember me, but I dated Mitch in high school. I did not remember the name Heath until I was reading some of the tributes on here and then your name and your mom's name jumped out at me and it dawned on me. I am so sorry. The last time I remember Heath, he was just a little thing. I saw Mitch's and Andy's name on here, but it did not dawn on me. I just pray that you all find some peace and comfort during this difficult time. I have been praying for you all during this, but it hurts my heart that you all have to go thru this and that he has children and one he has not met yet. Just hang on to one another, and love one another. It looks like there are plenty of people who are praying for you all. May God comfort you all!!!!*

“ Heath was a huge influence on me and my formative school years. He taught me how to stand up straight, never laugh when at attention, and how to throw a rifle. I'll never forget the day he did the infamous "SUCK IT!" stance and drove the highschool wild. He's a great guy, and he will be sorely missed. To his family left behind - Don't be troubled. You now have an angel watching over your lives. He'll be with you always, and when you feel troubled and alone - he'll be by your side. Just remember him the way he is - and he'll never truly die. God Bless you all in this time of grief, and may Go'd divine light shine in your hearts and help you to live in his honor.
