“ *Helen was always such a sweet person.  
It is so comforting to know that she felt like she was "going home" at the end and she was ready.  
I am so glad that I was able to visit with her the day before she left, but I was sorry I could not be at her funeral.*

“ *I was very saddened to learn that we had lost Helen this week. I was a close friend when we were in junior high in Blooming Grove school. I will never forget how nice she was to everyone and everyone liked her too. My sorrow goes out to all her family in this time of sadness.*
