“ I have known Jayne since I was a little girl, anything that I needed sewed- she could handle it, she sewed my bridesmaid dresses for my wedding many years ago. Such a neat woman and hard worker. I know there are many people who admire her and will miss her. My thoughts are with her family.

“ Jayne was a beautiful woman both in spirit and the physical. I looked forward to every summer as a child when I would go to Corsicana and every summer I would see Jayne. She was so generous with her time especially when allowing a city kid to fiddle around on her horses. Eventhough several years have gone by since I visited with her I still see Jayne as a great inspiration.
