“ *Mr. Shipman and family,*

I am sorry to hear of your loss. I hope and will be praying that you all will have peace and comfort during this difficult time. Just remember to lean on God and He will take care of you all. I know you all have been through alot this past yr and sometimes it just seems that it can be too much, but remember God said that He will not put more on us than we can bear. You all are a strong and close family, and you will make it thru this also. Just hang in there.

*Love,
Violet Crum*
