“ *To know Helen was an honor; to work with her on various committees was a greater honor; to learn of her departure from this earthly life is a sorrow; to be assured she is serving and praising the Lord in His Heavenly Kingdom is our comfort.*

“ So sorry to hear about Helen Joyce passing- I didn't see her often , however the love was always there.

After Otis Perry passed away , Helen Joyce was the one person from my class that always let the rest of us know what was going on. She will be greatly missed by the class of " 1953 "

With great love
