“ A tearful goodbye to a wonderful Aunt! She will be missed dearly by Rosie and I. I just wish we could be there. I will always remember her chocolate gravy and toast and the luscious pancakes that we almost had to fight Charles to get any when we were kids! She was such a dear person, I'm so glad we got to visit with her when mother passed on.  
Please, Nita and Karen say goodbye for us.

“ "A life well-lived life, is a precious gift." Words seem so empty when hearts are so full of caring. Even though our faith tells us we should rejoice knowing that you are with God, it is difficult not to feel sad. I think often of the good times we had playing 42, and know that you will be missed.
