“ *I am Wayne's oldest daughter. My dad and I are so sorry for this loss to your family. Henry was a wonderful man. We are deeply saddened to learn of Henry's passing. Please know our thoughts and prayers are with you all. I am sure my dad will make it to Henry's service and I wish that I could be there as well. My grandfather and Henry were such wonderful men who leave behind great families resulting from the strong foundations of love and respect that they each built . . . to say the least of the many meals of catfish they provided us all with . . . God bless you and yours.*
