“ God saw you getting tired, a cure was not to be, so he put his arms around you and whispered "Come with Me."
With tearful eyes we watched you and saw you fade away, although we loved you dearly we could not make you stay. A Golden Heart stopped beating. Your tender hands at rest. God took you home to prove to us he only takes the BEST...

Love these words...

Our hearts go out to you all during this time, how well Brett and I know what you are going through and feeling right now. Keep his precious memories close to your heart, I know ya'll have alot, he was a Special Man... I know there are no words to help to take away the pain, but knowing you have so very many friends and family that love ya'll so much will help you though it. If ya'll need anything please let us know. We Love Ya'll
