Hershell Bradley Barham "Brad", 54 of Waco, passed away Saturday October 13, 2018. Brad was born March 17, 1964 in Corsicana to James Ray Barham and Velma Ryno Garrett. Brad was a plumber by trade. He leaves behind his companion of 24 years Pete Fonseca, their son Jonathon "Johnny Boy", Mother Velma Ryno Garrett, Mother in Law Juana Fonseca, brother Mark Barham and wife Jan, sisters Karen Smith and husband Steve, Carolyn Jordan and husband Dennis, Janet Haisler, Anita Underwood and husband Joe, Rae J. Beckham, Suzanne Joiner. Brother in Laws Ernie Fonseca and Danny Fonseca, Sister in Laws Yolanda Fonseca, Sylvia Fonseca, Maria Pineda, Rebecca Cogdill. Numerous Uncles and Aunts, nephews and nieces (which he looked at as if his own) and cousins.

He was blessed with an abundance of Loving Friends. (Extended Family) A special thanks to Rick and Margaret Stecher and Brent Taylor.

A memorial will be held on Saturday October 27, 2018 at 10:00am at the Bellmead Funeral Home, Bellmead Texas followed by a celebration of Life at the Heitmiller Steakhouse in Bellmead.

“ *Brad, thank you, sweetheart, for the legacy of the beautiful hibiscus and the love for it that you shared with me. I'm so happy I was able to share those photos of its flourishing with you recently, thanks to Mr. Bill and "green thumb" gift and love for it too. The lesson that day is that love can flourish even in chaos...and it did and does. I hope the angels are holding you tight tonight and showing the same love to you that you showed others. Rest in Peace, with love, Kay Ellis ~*

“ Remembered when you were a little boy, you lived across the road from us. You would come over whenever I baked cookies. Praying for your family
