“ *Lynn,*

I was so sad for you when you called me about Hilda. I know you have been expecting it for a long time, but it is still so hard. Your mother was the sweetest, prettiest person and such a wonderful mother and grandmother. I know you have shared so many memories with me about the things she did with your children when they were growing up. I know you will miss her so much, but now she is with sweet Aaron and I know that will be a comfort to you. Know that you are in my thoughts and if there is anything I can do, let me know. Have a safe trip to her final resting place and know that I love you and I am here for you.
