“ We built and air conditioned his house on the Winkler road, in the the early seventies. Before that time, knew him as being from Streetman. I started School in Kirvin in 1943, Graduated High School at Teague in 1954, We ginned our cotton in Streetman from 1950-1956, until I left the farm to begin work at Wortham Metal Works in 1956. From the days of working for him in the early seventies, I always enjoyed talking with him. After knowing him for more than than thirty years as a customer, he was not as gruff as he would want you to beleive him to be. Always counted him a true friend.

“ Sorry to hear about your loss. Homer Paul was a neighbor on FM
416 for years. I'll never forget the time that Margaret had to pull him
away from a hot balloon festival we had attended. He was feeling no
pain and decided that h e wanted one of those to round up his
cows. Needless to say Margaret took him by the hand and got him
to the truck. He was really a good guy!
