“ *I will always remember how he could make someone smile. He just had that way about him.*
All the times in Granny's house with his guitar with them singing, now that was great. That and the birdhouses that he made or bought that are still at the house in Streetman.
I also remember when I first graduated high school and he lived on Austin St. I would come and stay with him if the weather was too bad to drive back to Streetman, he would always wait up for me to make sure I was ok, and then always try to make me eat breakfast.
Now, all those memories make me smile alot.

I love you all,

Kelli, Lonnie, Ty, and Ryne Ritterbach

“ Yes, he was my step dad by Marriage, but he will always be my dad in heart. We had 15 years with him that we will treasure forever, memories last a life time.

There is no such thing as a perfect person, but he was as close to perfect as anyone could ever want.

It is a blessing to know he is with our Heavenly Father now, and he will never again suffer. He is walking with Jesus and watching over us, waiting for us to meet him again.

We have not lost a dad, we have gained a brother in Christ. We love you dad and know you are with us in spirit.

Debbie, Mary Ann, Linda..you have always been in our prayers, and we will continue to pray for you in this time of sorrow.

God Bless and be with you all.

“ I learned to pitch fast ball softball watching Kenneth. I also learned a few hot licks on my Gibson guitar watching him play. He was an inspiration to me and he didn't even know it. We are so sorry to learn of his death. I knew he had worked at the Corsicana Miller Hat Company for years. My condolences to his family and friends. He had lots of friends.

Fondly,

John & Ruth Watkins
