“ *Eugene (Gene) Howard Roberts*

He was a great friend, one you would call a brother, and a great man! There was not a evil bone in his body, litterally had given the shirt off his back to his friends before. A man of many hats. Son, Brother, Uncle, Best Friend to all who knew him and always looking for new people to meet. He always had a full schedule ahead of him, but it never stopped him from being there for his family or his friends. Gene's legacy will live on through all of us who were fortunate enough to have known him and that his beliefs are now instilled in us for posterity.

God Bless his family, for we all know that Gene has ridden to the other side of Heaven's Gates on horseback looking for the herd!

I already miss you my friend, my brother- Gene

“ *The saying that ‘only the good die young?’ is definitely true in the case of Eugene. He was clearly a special and good man. I will be praying for Eugene’s parents and immediate family that God will give them the comfort and peace that only He can provide at a time like this.*

As an out-of-town relative, I have seen Eugene on a regular basis at the normal holiday events separated by many months, sometimes years. It is hard to believe that so many years have gone by. I have to say, I can’t remember a single time when I would see him that he didn’t have that big, and I mean BIG beautiful grin on his face?. that let you know just how glad he was to see you again. He seemed to always be interested in you.

Eugene must have had more than the normal supply of energy that us mortals are granted. And, that was good because I learned first hand how he was always willing to give you some of that energy if you ever needed his help. He wanted people to like him, and it is now abundantly obvious to me that they did.

His dad was my wife’s brother, so I had many opportunities to see and feel the respect he had for his parents. I know he will be missed and this loss will be felt for a long time. He was his dad’s right (and left arm). Both worked together on many projects around

the farm, but Gene still had plenty of time and love for his sisters, and nephews who I could see loved him dearly. They too will miss him.

No doubt, If love could have saved Eugene, he would still be with us right now. Hopefully, we will have an opportunity to see Eugene again in Heaven one day. I'll be looking for him and listening closely for the tune of the "Cotton Eyed Joe".

*You're a good one Eugene.

“ *My heart goes out to your precious family. Gene was such a blessing to know. Everytime I ran in to him we would always take a few moments and reminisce about the "old days" at Wortham High School. He was an absolute joy to be around and one of the kindest and caring person I've ever known in my life. We should all strive to be like him. He always had a smile on his face and never a negative word spoken from his mouth. He will be greatly missed. My thoughts and prayers are with you, GOD BLESS..*

I still want all of his family to know that you will be in my prayers and if you need anything I am here the way Eugene was there for me. He was a great guy and I still can't believe he is gone! Our hearts go out to you and your family during this time. Eugene was just in my office a few weeks back and it was a joy to talk with him. He always wanted to know what Monty was up to. I can truthfully say I know what you are going through. I lost my brother in an accident a few years back. You will continue to feel as all of this is just a dream and you will wake up from it one day, I still waiting for that day. Just know that GOD had a reason to call Eugene home at such a young age. Please know that you are in our thoughts and prayers. We are here for you. Tina it is hard to tell your children that there Uncle is gone but assure them that they will see him again. Our thoughts and prayers are with you and will continue during these next few months.

“ To the family of Eugene,
I am deeply saddened by the loss of Eugene. I am so sorry for your loss for Eugene was a kind hearted person whom was liked by all in our graduating class of 1987. I am so glad I drove to Wortham a few months ago for the twenty year class reunion. I spent several hours visiting with Eugene. It was really good to get to see him for the first time in over twenty years. I had no idea how special that visit would mean. May God bless Eugene and give you strength during this time.

“ Gene will be missed by anyone who knew him. We have all lost someone very near and dear to us. To know Gene was to love him. There was no way around it. You just had to like him. I was in shock when I got the call from Jackie (Jaclyn) that he was gone. I am still not sure that it has sunken in yet that I will never see my friend again. It is so hard to believe that he is gone. I will miss him a lot. We all will. He was a wonderful man, a true friend to all. I will miss the my space messages that we shared and the friendship that we had. Heaven has gained a true angel. He will be missed so much. He always had something to say that would make you feel better when you were down in the dumps, even when he was going through rough times himself you could count on Gene to try and get you smiling again. To the family, I am so sorry for your loss. It is so hard to believe that he was taken from everyone so tragically and suddenly. I know at this time there are really no words that can ease your pain or make it all better. All I can say is I will keep all of you in my thoughts and prayers and I will always remember Gene for the wonderful person that he was. I will never forget him. He will always be loved and remembered by all of us. I am sorry for your loss and I am sorry that I can not be there to pay my respects in person. - Gene, I know you are up there watching over all of us.
