“ *I am so sorry to hear about Gage. I know how you feel. Please know that he is safe in Gods hands, just as my two babies are. Yes, he was here for a reason, although we may not know why now, God will show you in time to come. Trust in Him and will give you peace. If you ever need to talk, please call anytime. I am praying for you and your family.*

“ To Tiffany , Heath and Family,

Words can't express how deeply sorry I am for your loss. May you cherish the moments you had with Hudson while he was here, and know that now you will have an angel watching and protecting you and your family. His memory will be carried on through his brothers and through your memories. May God be with you all during this time of grief, pain and suffering. May he give you the strength and courage for you and your children, and may he help you to understand. Finally, when time has passed may God teach you how to carry on with life. Not by forgetting, but by remembering and cherishing every moment.
