“ So many memories of Tom during the summers spent with you guys growing up. I remember getting in trouble with Dyan and his stern voice but mostly I remember his laughter. He had a one of a kind laugh. I went to see him while traveling through a few years ago. He invited me in and we sat and talked awhile before he suddenly asked, "now, who are you?". I laughed and then reprimanded him for letting me in if he didn't recognize me! We had a good visit and that is what I will cherish forever. My thoughts and prayers are with you George Ann. He is finally at peace and with his family in heaven. Love you all.
