“ I'm so deeply heartbroken for sweet Hunter. That precious little boy fought so hard to make it several times in his short little life, and he always made it through because he was so strong and so loved by his mommy. I'm devastated for Pattie and the rest of the family, but especially Pattie. I pray for comfort, peace and healing both physically and emotionally. Pattie you are in my heart and in my prayers. Love you girl!

No words will help at this time for those who knew and loved little Hunter. We are heartbroken with you and the only comfort we know is that he is being held today by our Savior and Lord Jesus Christ. Praying for comfort and strength for the days ahead for his mama and other family members and friends.
