“ *Great Grandmother, I will miss you very much, I love you. God bless you and the whole family.*

*Goodbyes are not forever
And nor is it the end
When angels come to call away
A loved one or a friend.*

*So when it's time to bid farewell
To one we'll dearly miss
Let's just say we'll meet again
And promise them with this?*

*The true gift is that love remains
Although we now must part..
Until forever and beyond
I'll keep you in my heart.*
