“ *Jimmie, you know how much my heart hurts for you. I pray that you and your family will feel the prayers and love being sent your way.*

I will miss having Jack come in to aggravate me. No matter how much he tried to act the grouch, the nice guy (and ornery little boy) underneath always peeked out!

God loves Jack, too and needed him home.

If you need me for anything, you know where to find me.

“ I was in Corsicana to take Mother to the doctor and was saddened to learn of Jack's death. I remembered him fondly from riding the school bus. He would take up for us "little girls" when the "big boys" picked on us.

Jimmie, you probably wouldn't remember me, but you would remember my Mother, as she was known in Emhouse as "Teedie."

Betty, I see that you are still in Tyler. I loved living there and get back as often as I can. Such a beautiful city and such good people.

Linda, I remember our 4-H camp experiences and the campfire songs every night.

And, I remember a slumber party at your house and how your mom cooked the best biscuits for breakfast and we ate like fieldhands. She had to bake several batches before she filled us up.

I was also in town last week to take Mother to the memorial service for our cousin, Robert Ellis Drane - so sad to go so young, but it was a beautiful memorial. He would have liked it.

*With sympathy for your loss,
Loretta*

Marcelyn, Mark and I were shocked to learn of Jack's sudden

and loved him. Marce and I are so glad we were able to spend time
with him during the family reunion. We share in your grief and you
