“ *Jackie was my friend since I was in the 7th and he the 8th when he made me suck a raw egg as initiation to Jr. High. We had many good times together with others at my home across the street from high school. It was from him via his dad that I learned to say, "Dad-nab it" rather than, er, something else in times of "crisis." So sad to learn of his passing, and my thoughts and condolences go out to his family. He was a great guy. --George Culp*

“ So sorry for the loss of a great man , Jack was a special loving caring man he did a lot for the order of Odd Fellowship and was a great brother of the order. He did do a lot of teaching to my son Lance and I'm proud he was there for Lance as he did do a lot for him and Lance looked up to him. Lance was always amazed at how Jack did his floor work on the degrees that they went to all the time and Lance has learned a lot of the work just like Jack as he has watch him through all those degree rallies they would attend. We are going to miss him greatly and Annette if we can do anything for you please let us know. We will be keeping you in our prayers.

“ Sister Annett, my deepest and most sincere condolences to you and your family. Jack is and will always be the most emblematic in my life. From the very first time I met Jack was back in 1989, I was 11 years old and the words he said to me about the Odd Fellows and the way everyone ought to live, is what probably kept me going in the Order. Everything the man said and the way he put his heart and soul in the degree work was all so flawless, and the love that both of you have shown not only to me, but to the entire Order will stay with me forever. Words can not explain the love and gratitude I have in my heart for the both of you. Farewell my Brother till we meet again.
