“ We were saddened to learn of the passing of Jackie. He and Helen have raised a wonderful family together. Our prayers lift Helen and his three beautiful daughters, Tina, Rhonda and Debra along with their families during this time. He loved his family. We were honored that our families spent so much time together over the many years. I know that my parents loved being apart of the pack. He always had a smile under his mustache that no one could forget! Jackie will be missed but we are happy to say that he has lived a very full life in our eyes and hearts and we are better for being apart of it. May he Rest In Peace.
