“ *Jackie was the best neighbor anyone could ask for. I could always depend on her for anything. Jackie, Francis and I always watched out for each other. Jackie and Francis helped me through some rough times. She always had good things to say about everyone, never a bad word out of Jackie. I will miss the times talking across the back fence. I enjoyed our little visit last Friday night and I will always remember how you kept a smile on your face while knowing the end was near, but your faith and love in god gave you comfort and peace. Rest in peace Jackie my dear neighbor.*

“ *My thoughts and prayers are with you at this sad time. I only met Jackie once but she welcomed me into the family with open arms. As she and I cleaned up the kitchen one evening at Aunt Ease's house, she and I talked and talked as if we had known each other forever. I know that she was a very special lady who will be greatly missed.*

*Sincerely,
