Love you son, you will always be in my heart. You're going to be my angel in the sky, you'll be able to see what I may do wrong or something I might say. You paid your debt we still have to pay ours, but I love you always. Now you have no pain you have no sorrows and you always be in my heart.

“ Bubba and I go way back to grade school. He was such a loving boy then and that never changed about him. We did a lot of crazy things together growing up. Bubba me James Hardin. We skipped a lot of school together laugh out loud one time my sister had a yellow nova. We stole her car called everyone in the backseat. I put Bubba and James in the trunk and we all went to the drive-in in Corsicana. We laughed about that story most of our lives, Bubba will truly be missed. He was one of a kind my thoughts, hearts and prayers go out to you all the family and my dear friend Bubba will meet again someday it will dance on the streets of Gold together rest in peace.
