“ *Beverly, David, Stacey and Chris: My thoughts and prayers are with you at this time. You were able to have a final moment with Mr. Derryberry and that will stay with you always. I was lucky to have had that too with my dad and it is a blessing. however, as much as a blessing it is, it is still hard to lose them. I know Barbara was there waiting and they are now both smiling down on all of you. Don't forget and don't ignore the little messages you receive from your two guardian Angels. I love you guys!*
