“ *Edd was always a good friend. I am saddened to know he will not be with us anymore. We spent a lot of time together in the classroom and playing football. He was always fun to be around, and never let things bother him. His family is in our thoughts and prayers.*

“ *Edd sat behind me in Mrs. Ramsey's English class all four years in high school. He was a big tease and was always smiling. I saw him at our 25th class reunion. Our 50th class reunion is coming up. We had a small class in 1962. Now it will be even smaller.*
