“ I have several memories of uncle James. All of them include his BIG smile and thunderous laugh. Anytime I had a question about my yard plants he was always there to answer and give me tips. He loved having beautiful plants around the yard. Also it's funny cause he also had a thing for elephants. Elephant statues, figurines anything elephant he really liked. He knew I loved having cross wall hangings and one year for my birthday he bought me a BEAUTIFUL cross to hang on my wall. I still have it hanging in my house. Anyways... I will always remember his hugs, his smile, and his laughs... I love you uncle James and i know you're now free of your pain in heaven reunited with family gone before you.
