“ Murray was a great guy, I knew him personally and he was good company and we liked him very much. He would always stop and visit us if he was near the neighborhood. I have been told alot of good things about him and I know they're all true because he had a kind heart and a compassionate heart for people. We will miss him and always think about him. My heart goes out to the family and we will keep you all in prayer, God bless you and may He comfort your heart at this time and give you peace. Frances Middleton and Family

To raising our kids together and watching each others back. It's going to be tough without your sarcastic self. You weren't supposed to go out like this. Old age was supposed to our goal.
