“ *Mr. Talley was one of those patrons that I always enjoyed seeing in the library. He loved to read and he loved the beach, two of my favorite things. His distinctive voice was always a treat to hear. He will be missed by all of us here at the library. Our prayers are with you.*

“ *some of my best memories when I was young was spending Saturday nights at Betty and Sonny's swimming in their pool. Sonny was a great man and he was a lot of fun to be around. We all knew that if he was around that there was going to be a lot of laughing going on. He is going to be missed by a lot of people.*
