“ *Pete, Raeann, and the entire family, I am so sorry for your loss. I cannot express the disbelief I felt when someone told me the news. The world has truly lost a very special lady. She will be greatly missed. I hold you all in my prayers. God Bless You*

“ *Mrs. Ivie was a very loving, caring, and courageous woman. She would have given anyone the clothes off of her back. All of her students were her babies. She was proud of us all and all we had accomplished. She is a woman many adore, honor, and look up too. Today is a saddened day for many. We all just have to take her with us in our hearts and remember the many wonderful things she accomplished and taught. I will take her many lessons she taught me and her smile and adventurous attitude. To her husband, Pete, and family, my thoughts and prayers will be with you through this very difficult time. I know sorry isn't enough for this tremendous loss, but with great sympathy, I am so sorry for your loss.*

“ Mrs. Ivie will be missed greatly. She was a great mentor and friend to all her students. She often called her students her "babies". She was always so proud of her students and their accomplishments in life. Her teachings has instilled so many life lessons in me that I will always take with me in life. Mrs. Ivie always had a smile and a hug to give. She will now be watching over her family and students as they journey thru their lives. Pete, Rheann and her family will be in my prayers. “ *How shocked and saddened David and I were to hear the news of this tragic accident! Pete and Rheann and the rest of the family, you are in our thoughts and prayers. David remembers Jan from when they were all just kids, and he said she was the kindest, friendliest person. I spent many years at the high school with Jan. David was right about Jan--she was kind, friendly, and funny, and I loved her dearly. She has touched so many lives--her family, her friends, her fellow teachers, her students and everyone who knew her. We are all blessed to have had her in our lives.*

“Pete, Rheann and family. Jan was such a great person. She was a mentor, teacher, friend, mom and caregiver, not only to Rheann, her beautiful granddaughter, Pete and her mom but to all who knew her. I have seen times when she would come out of no where to save one of us. I dont care where she saw one of her students she always had a hug, a smile, and encouragement for us. Jan knew how bad I wanted an education, she would always say "please don't ever give up take a class at a time, it is ok if your 90 when you finish". I will always love her for that. I will miss her deeply. I didn't get to see her for long periods of time. I just knew she was there. I will always love and cherish the times we shared with her in school. I will always love her. “ Jan was a wonderful person to me she opened her heart to me in 2001 when I first met her my junior year in High School. She was like my second mom she helped me through a lot of stuff. I was in the organization she was over called DECA and because of Mrs. Ivie I am going in the field I am which is Accounting because she is who pushed me to accomplish all in life she once told me that it was me to determine if I fail or succeed. which is so true. “ Our thoughts & prayers are with Jan's family at this difficult time. Jan was *THE* greatest teacher. She was there whenever her students needed her, not only as their teacher, but as their friend. We need more teachers like her. We were in her class back in 1979 & 1980, as the years went by we never lost contact. She was a true friend to everyone that knew her. Jonathan was also in her class 2003 & 2004, he loved her as much as we did. Krystal never had the opportunity to take her class, but Jan treated like she was one of her kids. Corsicana lost a wonderful woman, but heaven received a great angel to watch over us all.

“Mrs. Ivie” was a one of the sweetest women I have ever met. She was always there to greet you with confidence and a smile on her face. She dedicated her life to her family and students and will definately be missed. My older brother and I were both blessed to have had her in our lives. I remember as a young child how she was so concerned for him graduating that “she even came by our house and honked each morning his senior year” to make certain he reached that stage May 31st! Our lives are richer for knowing her. Heaven has added another special angel to watch over us all! Pete, Rheane my prayers and thoughts are with you and your family.

“ To all the family, I am so deeply saddened and shocked to hear the news of Jans passing. Jan mentored me in high school at a very difficult time in my life. I remember her taking time out of her busy schedule to meet with me one on one just to encourage me and allow me to share with her the most painful struggles I had at that time in my life. I know she truly loved and cared for all of her students very much. She always went above and beyond the norm for her students. I remember one time calling her at 10:00 P.M. at night when I was going through a difficult time and she took the time out to encourage me and her words of encouragement helped me to make it through that time in my life. I know that she made a profound influence on me during those teenage years and even still today. She always encouraged that her students can do what they set their minds to, and that I know is true. She had many gifts that she gave in this life and I know I am just one of many students that she impacted in such a meaningful and profound way. May you all know that you are all in my thoughts and prayers-

“ At this time, it is difficult to have the clarity of mind to express the numbness from the loss that we feel. Jan was a shining spirit and truly loved life. Her friends and family were always at the top of her priorities. She treated everyone with kindness - and counseling if we needed it; sometimes even when we didn't think we needed it! “ One of the most poignant life skills I took away from my time in Jan Ivie's classroom was one of her strongest mantras. "Never be just on time, but always 15 minutes early. No matter the situation, a DECA contest, a job interview, or a social function always early, and forget about it if you are late." I have lived this every day of my life for the past decade, and will continue to attribute my constant ability to always arrive early to Jan.

*Consider this... if you can catch a glimpse of silver lining on this darkly clouded day, know that Jan is early for the very most important meeting of her existence, and I can assure you that she has passed the test... Jan will win the contest, and she certainly has the job!*

*My deepest sympathy is with all of those Mrs. Ivie loved, and she will surely be missed by many.*

“ I was a student of Mrs. Ivie's from 1982-1983. I cant tell you what a wonderful influence she was to me. I was definantly a class clown, but she could always see the good in me. She always believed in me and encouraged me to do my best. I really owe her so many thanks, and am sad that I wont be able to do that in person. May the Lord comfort the family through the tough times. You will be in my prayers!

“ I've known Jan since the summer of 1969. She was working in her parents' store in their old location and I worked next door. We became friends. She even borrowed my wedding dress because she couldn't find anything else that she liked. Jan was a beautiful, spirited lady, very giving and always wanting to help others. Jan touched so many lives during her time with us. She will be missed by many. I pray for strength for the family.

“ All my thoughts and prayers to the family and friends of Mrs. Ivie. Although I haven't seen Mrs. Ivie in many years. She has always been in my thoughts. I'm so shocked and sad to hear she's gone. She was always there for me and always very supportive as a teacher and even after graduation. I remember one day sitting at her house after having my son, she was holding him and he threw up on her. We always laughed about that because she said it had been so long since she had held and fed a baby she forgot she had to burp them. I have so many good memories of her. Again, my thoughts and prayers to every one who knew her.

“ I am still numb from hearing of Jan's passing. She was a very close friend and classmate. We have worked together on our class's planning committee together for over 20 years and Jan is responsible for personally locating DOZENS of our classmates.

She loved the people she went to school with and she loved her family and her students. That is evident even here by all of the tributes that her former students have sent in.

Wherever she went she always lit up the room with the glow that always surrounded her. She was a wonderful friend and I will miss her dearly.

To Pete and the rest of the family, my thoughts and prayers are with you.

“ Everyone has written such beautiful words here. I have thought long and hard all day about what I could say as a tribute to Jan. She was full of life and love- for all. We go back so far- the chili cookoff days, my high school years when I saw her everyday, and now being grown and having the history of the Ivies always being part of my family. She always exuded class, style, confidence, beauty, intelligence and love. She will be truly missed by all her students, friends, and family. The loss of her is truly a loss of the entire community. “ I am so truly sorry for your loss. Jan was an amazing woman that I was blessed to consider a friend. Jan showed me "the ropes" of DECA and we shared rooms at conferences on several occasions. I am on the MET (Marketing EDucators of TExas) board and we would like to post a tribute on our website as well as have a scholarship this year in her memory if that is ok with her family. I will proceed with that with your approval. She loved the marketing education program and was so passionate in promoting it---I can think of no better way to honor her from her colleagues in DECA. God bless all of you. You are in my prayers.

“ Your mama, Rehann, was the best in every way. Pete, your wife loved you dearly. I remember praying with Jan for you two many times. She felt so deeply about you both. I remember when my daughter went to the Kingdom, Jan and Mary Bonner sent me and my family the most beautiful red roses. Their kindness filled my heart with love. We did Marketing/DECA/MET things together and she'd just be telling it like it is and we'd all be agreeing because she was taller than we were. I can to this day still see her smiling face-- what a precious, precious woman and to think she was my friend. We'll be praying for you all and know that JESUS IS LORD! btaylor

“ Mrs. Jan Ivie.....O woman of great stature! Never meeting a stranger....always had a smile on her face....if you knew her, and she knew you.....she would always encourage you along the way. Over the years, she never forgot me. I would see her from time to time, and she always remembered me. "How can I forget a smile like yours?" Was the first thing out of her mouth. When I moved here, I knew no one. She made me feel like I belonged. She showed me how to take a bad situation, and turn it into good. I thank you Mrs. Ivie...for your life was not in vain! “ I am deeply saddened of the loss of such a beautiful person. "Mrs.Ivie" was not just a educator. She was so many things to alot of people. She was truly my teacher,my counselor,my friend,my Angel. Our paths crossed so many times over the years. What seemed like a small role in my life, turned into a huge impact with me and my entire family.I can say that we feel we lost a family member. Seemed like we were always connected in some way,from my grandparents and her parents store,to CHS,to my mom,to my sister,to my aunts and uncles,to a Christmas party. But,that's the way she was. Once connected,she was there,just what you would expect from an Angel.I will miss you dearly.This is the way I choose to remember her. “ Ivie Family,  
My prayers are with you during this time. May the Lord Comfort you in this time of need. It is with tear filled eyes that I type this as she will be dearly missed. I was her student and I am now 30 years old. Over my lifetime I have often thought of her and how much influence she had in my success. Mrs. Ivie was the best mentor any young student could have. Mrs. Ivie was responsible for my scholarship I received from DECA for my 1st year in college. She also taught me in her class how to fill out and balance a checkbook. So many of my life lessons-she taught me with passion in her classroom. I also want to thank her for believing in me and pushing me to do my best. On the work program I will never forget when I felt mistreated on my job, I told Mrs. Ivie and that evening she came to my job, along with Pete and got everything straightened out. That is the type of lady she was -one with concern, passion for each and every student. Her life will forever be remembered as it has impacted so many. Thank you.

“ To the family: My thoughts and prayers are with you in your time of need. Jan was a great teacher, friend and mentor to me. “ Jan:

*Wow, ther memories I have of you are so ruch and so many. If you hadn't been my teacher, I don't think that my parents would have ever let me leave town on a field trip much less the state. You taught me so much in the relatively small amount of time that we had together.you taught me not only about good work ethics but how to have fun.I'll never forget the time you cuaght the linciln on fire in the mountains of Utah \*laugh\* I still have pictures of us standing on the side of the mountain road watching the poor thing smoke and smolder.. guess we learned a lesson about emergency brakes that trip didn't we? I felt like I was not just a student but an actual part of your family. You were truly such a special and wonderful person in my life and you will forever be cherished in my heart and in mymemories. Corsicana and the world will never be the same without you. You have touched so many lives throughout your lifetime and we will always be grateful. your tough love for all of us has shone through in the best of us and we have you to thank for so many thing. You make sure you get those angels up there in line cause I know the Lord can use a good right hand girl up there and your just the one to do it. we'll miss you greatly and cherish you always!*

“ I first met Jan in 1985, my first year to teach. I was fresh out of retail, trying to learn about DECA and Marketing Education. I needed help! Jan was there!!! She took all of the "new kids" by the hand and led us to MET and DECA. She served on the MET board when I was a district president. Jan was a dynamic force who helped keep MET alive under the difficult days of reform in the late 80's - into the 90's. She was always there for all of the advisors, as well as the students, of Marketing Education and DECA. DECA District V also survived and thrived under her leadership. Jan was selfless when it came to those two organizations. Her legacy will live on through her former students, advisors, friends, and family. She has left us far too soon.

“ I, like so many other students at CHS was touched by the kindness of Jan Ivie. She got me my first job and encouraged me to stay in school, even though I had personal problems in my life. I would not be where I am today without the encouragement I received from her. Several years later, I came to know her as a friend. She did always have a smile and a hug for everyone she saw and she truly touched so many lives. I can't begin to tell you the impact that "Miss Ivie" (I don't think I ever could have called her Jan even though I am now older than she was when she taught me) had on my life. I have wanted, for many years, to get in touch with her and tell her what a difference she made in my life and how I had applied the things I learned in her class to real-life situations. “ I can't quite put my feelings into words. I am still numb from hearing the tragic news. Mrs. Ivie (still can't call her Jan), has no idea how much she is responsible for molding me into the person that I am today. I am now a business owner & I use the things Mrs. Ivie taught me in high school on a daily basis. I would not be where I am today without the knowledge that she shared with me.

Mrs.Ivie eventually became a customer of mine. I still felt like I was giving a sales presentation in class everytime I talked to her about a new product we had. I know she enjoyed having her own techniques used on her! I am going to miss her smiling face coming through my door. She really meant alot to me & I hope she knew that.

Pete, I have really grown to love you too. I can not begin to imagine how hard this is for you. Please know that you & your family are in my prayers.

“ The Seniors of 1972, Kaufman High School, were among the first students Mrs. Ivie ever had. She was one of the few teachers we ever had that "got it." When she attended our 30th reunion several years ago, we were so happy to see her and only then realized how young she was when she was our teacher! From the number of tributes, it is obvious that she led a servant-life, invested many times over in the growth and well-being of others. Family and friends, please comfort yourselves in that thought and in the knowledge that many people will carry her remembrance in their hearts.

“ All of us here at O.M.I. are deeply saddened by the tragic loss of a dear friend and customer. As a former DECA student, I learned a lot from her about the business world. She will be greatly missed. We will keep your entire family in our daily prayers. God Bless you all.

“ Pete & Rheann,  
Words cannot describe how much my heart goes out to you and your family. Remembering Jan from when we met in college over 40 years ago seems just like yesterday. Not many of us stay friends and in contact for that many years. I will always cherish our memories-we had many. Our children, chili cook-offs, our trips, and all the others-. Jan was a bright ray of sunshine in all our lives and like you, I will miss her very, very much.  
Love to you all, Tammara(Tammy)

“ Jan was such a special person in our life and so many others. The times we were all together were so much fun. She was always a ray of sunshine everywhere she went, she left a world that will never forget her and a blank space in the lives of those who will never have the chance to know her, the future lives of so many young people will never know what she could have meant to them. Pete and your family are in our prayers and thoughts .

“ Mrs. Ivie was a wonderful teacher and friend. The lessons she taught me have been carried on throughout my adult years. She was always so kind and thoughtful to my mother Ardell Kuykendall. I was so glad to see her not too long ago when I visited my mother there. My deepest sympathy!

“ Mrs Ivie will be missed immensely. I graduated high school in May of 99 and she was a major influence in my life. Without her hard work and dedication for students, I do not think I would have been able to accomplish what I have today. Her spirit, her kindness and my gratefulness will forever be part of my life! My deepest sympathy, Jan's Student

“ Ms. Ivie (I'll never be able to call her anything else) was one of the few teachers that gave me what I call "take aways for life". Wisdom and common sense weren't always found in a book.

*I count myself as extremely fortunate to have seen her again just a few years ago when my band happened to be playing an event that the Los Bomberos were attending in the Austin area. She also got to meet my son (who was about the same age I was when I was in her class).*

*It pains me to know she's passed, but take I comfort in knowing that's she was a positive influence to literally thousands of people in her lifetime.*

*To her family, peace be with you all.*

“ To the family and friends of Jan Ivie: I learned of Jan's death yesterday on the Internet "SpyderTalk" forum. As a fellow motorcyclist and Spyder rider, please accept my condolences for your loss. It is terrible to lose a loved one, and even more so when they are taken in such a sudden and unexpected way.

Sincerely,

“ I am so sorry to learn of her passing; I only found out today. I don't know if I can express what an impact Mrs. Ivie had on me. I had never known a teacher who was so interested or so involved with her students. She was such a caring person and engendered such trust that I always knew I could talk to her. She helped me through some difficult times, both class-related and personal, and even today I think of her often. She taught me so much, about business AND about life. I know her family miss her terribly -- you are in my thoughts and prayers. I wish you peace and comfort.
