

Jane Hignett

August 1, 1950 - April 23, 2016

Jane P. Hignett, 65 went to be with our Lord and Savior on April 23, 2016. She was born August 1, 1950 to Bogie and Jewel Poarch.

Jane was married for 45 years to the love of her life, Frank Hignett. Jane graduated with a nursing degree from Navarro College. She received the Best of the Best award for her hard work and dedication as a nurse. She was active member at Harmony Christian Ministries, where she found great joy with her church family. Jane always found a bright side, especially being Franks Happy Hippie Chic. She was always there to support him and The Prisoners of Christ Ministry.

She is survived by her husband, Frank Hignett of Corsicana; son Troy Jenkins and wife Beth of Georgetown, daughter Staci Napps of Conroe, son Chase Hignett and wife Melissa of Grand Prairie; grandchildren, Claire, Lauren, Emma, Hunter and wife Keeley, Weston, Zane, Mallory and Alyssa; great grandchildren, Julia, Waylon, Mollie and Chloe and one BB cat Hignett.

"Another day not promised. Blessed before the light of day. Another chance to see those that you know and talk to those far away. Too many blessings to name one by one, but the real thrill comes when we count. Counting blessings is a full time job, and indeed comes with the highest pay. Being grateful for what we do already have makes being excited for more not seem like we take anything for granted, and makes Jesus smile as He opens our next door."

-Jane Hignett

A memorial service will be held at 12:00 pm Saturday, April 30, 2016 at Jester Park.

“ I miss Mrs. Jane so much, her smile, her encouraging words of wisdom, her laughter and all the other precious things about her. I remember when I first became a nurse and I started working at Heritage Oaks Retirement Village she was always so bubbly and full of energy. I remember her mom being there and I remember telling her that I used to take care of her at home but she would never let me do anything so I would sit there and talk to Mts. Poarch for a while. I can remember her always having her snack of Reeses peanut butter cups and her Diet Pepsi. She always had about 3 or 4 packages of Reeses sitting there with the top package opened up. There will never be another one like her. I love you Miss Jane and I will miss you like crazy. R.I.P. my sweet friend.

“ I am remembering the good and happy times we had. I remember you sitting across the table from me, you were a little girl, and you were eating chocolate ice cream for breakfast, looking at me and saying, "Ha ha ha, don't you wish you were skinny so you could have ice cream for breakfast", I remember when we'd go to bed, you would have been fine all day, running and playing outside, then when the lights were turned off and I would be almost asleep, you'd start snorting and saying, "I can't breathe", and Mother would have to bring you nose drops", I remember when I was leaving the house to go to hospital to have my first child, and you said, "Have a boy", I didn't, but you never seemed disappointed and you always loved her unconditionally, getting into trouble when you'd take her to take her to Grant's where she'd start screaming for candy, Mother would tell you never to take her there again, but two or three days later, you'd get her dressed, and off you two would go, walking as it was just two I remember when my first grandchild was born, you and I were standing with our noses pressed against the nursery window, she was just two or three hours old when she raised her head, looked at us, and flopped over, we KNEW she was the smartest baby in the nursery; I remember one evening after work, Troy had a game in Humble, so Walter and I stopped by, it was still back when females wore high heels to work, Walter was only about six or seven months old, the game was over, and as I was walking that concrete ramp carrying him, my feet slipped, and I fell down, you turned around and looked at me, said "What are you doing down there?", walked back and took him, leaving me sitting on the ramp; I remember being at your house with him, we were sitting in the living room, and he got up and walked towards us, you said, "I didn't know he could walk", I replied, "I didn't either"; I remember when you took me to lunch at Don Jose's, I ordered spinach enchiladas, and when you saw them, you said that was the dumbest thing you'd ever seen, even threatened not to pay for them, but you did; I remember when I had that thing put in the Daily Sun about "Aunt Jane's having a birthday", and even though I didn't have my name in it, you called and asked me why I'd done that, said you knew no one but me would do something like that, but she thought it was so funny; I

remember when you had a problem, you called, I made arrangements for someone to keep the boys, and got to you as soon as I could, you met me at the door, holding cucumber slices over your eyes, that was one of the funniest sights I'd ever seen, my beautiful sister who always was so particular how she looked, standing in the door with cucumber slices over her tear swollen eyes. Many more memories, so many I'm thinking of right now, I love the ones that are letting me smile and laugh these days that are so hard for me.

“ OUR PRECIOUS ANGEL ON EARTH HAS HER NEW BIRTH IN HEAVEN, HER ETERNAL HOME. SHE WAS A MOST HUMBLE LADY WITH A HEART BIGGER THAN TEXAS!! HER COMPASSION FOR OTHERS WAS AMAZING!! I OFTEN REFERRED TO HER AS "A JEWEL"..ONE DAY SHE ASKED ME ABOUT IT AND THEN WENT ON TO EXPLAIN TO ME THAT WAS HER BELOVED MOTHER'S NAME...I NEVER EXPLAINED TO HER WHY BUT I WILL TELL EVERYONE NOW...IT WAS A BIBLICAL REFERENCE. PROVERBS 3:15 AND PROVERBS 20:15. SHE VALUED LOYALTY AND TRUTH! SHE WAS A TINY LADY IN STATUE BUT A MIGHTY FORCE IN OUR SAVIORS ARMY!! MAY OUR HEAVENLY FATHER WRAP HIS ARMS TIGHTLY AROUND HER VERY LOVED, SPECIAL FAMILY AND HOLD TIGHTLY TO EACH OF THEM. HUGS AND MUCH LOVE TO EACH OF YOU!! ONE DAY, MS. “ Jane always brightened my days. She told it like it was. She loved her family and would do anything for them. Her and Frank had a true marriage that could stand the test of time. I am thankful she is at rest with her Lord and Saviour. She doesn't have to make the big decision about treatment. She can rest in the arms of her Lord. Frank and family, I will keep you in my thoughts and prayers in the coming days.
