“ She was my neighbor on Park Row and always made an effort to say hello to me. I got to know her through Wes (who I miss, and hope is happy wherever he is). He'll probably never see this, and I guess that's why I'm leaving this here.

“ I am so very sorry to hear this sad news. Janice and my sister Lisa Batton were friends for many years, and ran around together. My whole family knew her, and we thought she was a beautiful person. I know Janice and Lisa can see each other again in heaven. I also know Lisa loved Janice very much. I will pray for strength for her family during this extremely difficult time and for the future.

“ I'm Wanda Cooks and Janice McDonald was my friend. Whether we were thugs, whether we were in the church, whether you are homeless she had the biggest heart in the world. My only regret is I only found out about my friend passing few days ago, too late to attend her funeral. She was my friend, the only white friend I have. I'm going to miss her. I am so numb and stunned. I love you Janice McDonald. May you rest in peace

“ *Janice was a special cousin to me. She was alot older (2 months), but she will always have a special place in my heart. When I moved to Corsicana after high school, she always tried to fix me up with her friends, but I was just too much of a nerd. She never gave up! We had some good time together. I just wish we had of lived closer our whole lives. May God welcome you with open arms, and give uncle Clyde and your mean ole momma a hug from me too.*

“ I was so sorry to read this obit tonight. Janice was so sweet and kind to everyone she met. She worked hard her entire life and was a great success from humble beginnings, like myself. I respected her greatly and loved her entire family. Amen.

I can remember back in the day when her and my mom were very close at the apartments guys would drive by and honk and they would "yep" at them. Fun times. May she have the ultimate celebration in heaven and Rest In Peace.*
