“ *I am very sorry for your loss. I knew Jason for several years. He was the lead singer of our rock band when we were very young. I know he loved music very much like a lot of us do. I pray for strength in the future for you and your family.* ”

“ *I am very sorry for your family's loss and to his many friends. Jason has been a great friend for many years since we were very young. He was the singer of our rock band when we were very young. Those are some of the many days with him I will cherish forever. I know he loved music like many of his friends did. I will pray for strength for his family and all of his friends. We will definitely miss him very much throughout the years.*
