“ *How can you describe this man in this small tribute... He was so talented as a musician, such a jokester, such a warm and caring person especially with those babies.... and so much more. We were blessed to have PawPaw around as many years as we did, but yet it is always hard to say goodbye. We take for granted that our loved ones will be around forever. One thing for sure Paw Paw has touched my children's lives. Brett has heard so many amazing and funny stories in his work field and Darren it is all about fishing. Larry has so many precious memories that I enjoy hearing over and over...and all of these will be kept close to our hearts. Patty thank you for being such a loving and caring wife. PawPaw was certainly blessed when you came along. Heaven has a major fishing tourney going on and PawPaw is there baiting all the hooks and of course making the music. Till we meet again PawPaw.....*
