“ When I was a young child, Aunt Jeanne taught me how to look for sand dollars in Galveston, TX. Looking for sand dollars is now my favorite pass time. Years ago, Uncle Billy and Aunt Jeanne gave me a holiday hurricane candle holder of which I have cherished. This year, instead of setting a candle inside, I decided to fill the holder with sand dollars. She touched my life in a very special way and will be greatly missed. My sympathies go to her family and friends. -
