I am so sorry for your loss, You and the boy will be in my prayers.

I met Jeff at RSC, we started about the same time.

He was the most caring, loving person I've could ever know. He always had respect and compassion for everyone, it didn't matter if you where Hourly or Salary. He always treated the same. He was a very Special person.

He will be truly missed by many.

God Bless.

“ *I am truly sorry for your loss of such a wonderful person. Jeff had such patience when dealing with the high stress at work and always a kind word to everyone. I enjoyed our talks in the break room. Lanette, I never had the opportunity to meet you. I left before you started there. But, Susanna Humphries told me so much about you and the love that you and Jeff came to find with each other. You and your family are in my prayers.*

“ Jeff was a wonderful man, father, and uncle. I've known Jeff for over 23 years.

He was my brother-in-law for 17 of those years, and was the uncle to both my children Casey and Cameron Brown. He was a loving father and admired by his friends. He was generous and kind.

I have so many memories of him and I will cherish them forever. I'll never forget when he was a teenager driving around in his red Shelby Mustang, and the love he had for music. And for anyone who knew Jeff extremely well, we know he loved his rock music. Thanks for all the good times, and being a part of our lives. You were a wonderful uncle and my kids looked up to you. Cameron will never forget some special times. You will be dearly missed by all who knew you. We are praying for those to have the strength to get through these hard and difficult times.

“ To Jeff's Family,

I am sincerely sorry for your loss. I have not seen Jeff in over 25 years, but I do remember the first day he showed up in my class. I thought he was the cutest boy in school for the longest time. Though, we were so little of course he didn't like girls then. HA!

Jeffery was funny, sweet and kind when I knew him, and I considered him a friend.

I'm saddened by his loss for all of you, and hope that you will lean on the Lord during this time of grief and realize that "for everything there is a season and a purpose under heaven". I don't know the circumstances but I will say that he probably had a closer walk with the Lord than anyone ever knew because of the time he spent outdoors.

I will pray for comfort and peace for your family though you don't know who I am. Jeff was a good man. Look forward to the day when you see him, the perfect him, in heaven. Just believe with your heart and confess with your mouth that Jesus is Lord and you will be saved. And you will see Jeffery in eternity. I know I'm looking forward to it.

“ It is tough to write something when you get the sudden shock of the loss of such a great individual. In pondering what to say to the family I went through all of the cliches but I settled on one word to describe Jeff.....genuine. If he was your friend, you had a friend for life.

I have many memories of my piece in time with Jeff that I will cherish and always feel fortunate to have had. I wish just like everyone else that I had one more day. My deepest regrets to the family.
