“ *He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*

“ Mr. Aston was a very funny man, we only knew him for 5 yrs but when you spoke to him it was like you knew him forever. His one pride was his grandson Michael he loved and adored him so very much, they had a very special bond! We will dearly miss him on our block!

“ Dearest Brian, Melissa, Marsha, & Michael,
My heart breaks for each of you during this most difficult time. This has really hit home for me as I still consider each of you my family. Knowing Jerry was an honor and I know each of you had your own special bond with him and have so many memories... I've had the pleasure to have heard a few of those first hand, and alot of those memories brought many laughs.
Jerry was a one of kind person who loved riding his Motorcycle and showing off his skills as he would drive off, especially to impress his son, Brian.
My Love and prayers are with you all.
Love always, Leigh Ann

“ Mike, I am so sorry you have lost your father. He always adored April and treated her so well. Any time he came through Frost, he always stopped by city hall to see me and inquire about April. Last year when she came home on vacation from New Orleans, I took her by to see Jerry and Barbara and they were so pleased and happy.

“ Uncle Jerry will be missed and remembered fondly. As a teenager Uncle Jerry was the first person to ever let me sit behind the wheel of a car and drive (a 1974? Ford Gran Torino no less). Needless to say, he was always a lot of fun and I always looked forward to his company and wonderful personality.
