“ My uncle Jerry Don was absolutely a one of a kind individual. He loved his family greatly and always made sure they were ok. He touched my life in so many ways. I had the privilage to work, hunt, live and love with him. A family get together just wasn't the same if Jerry wasn't there. Everyone loved him and everyone that loved him felt his love in return. I am absolutely devistated by this loss, but I know if he were here he would say "JW get your stuff together and go live your life to the fullest". So that's what I will do. Jerry Don you will always be my favorite person in this world!!!! Thank you for loving me and teaching me so many great things. While painting heavens gates remember how much you mean to me...I love you!!

“Thinking of your family, Wishing you hope In the midst of such sorrow, and Comfort in the midst of such pain.” Jerry Don, a wonderful friend will not go away, He will walk beside us everyday, Unseen, unheard, but always near, Still watching over,taking care of others, Still loved, still missed and very dear to all that knew him.”

“ Growing up there weren't too many days that I didn't see Jerry Don...he and my brother, Ron, were always up to something! I was 6 years younger than they were, but thought they had to be the coolest guys around. Jerry Don and Ron had many fun years together and we will always think of him as part of our family. Mom and Dad enjoyed seeing him at Home Depot...he always stopped to talk to them, or tell my mom she was getting prettier everyday.(He still knew how to charm her...that along with his smile probably got him out of a lot of trouble with her through the years!) I recently had the priviledge of getting to know Jerry Don's younger son, Rocky. I took some pretty cool pics of Rocky riding bulls...with his Dad cheering him on! Jerry Don was a very proud Dad, that was easy to see. He is leaving behind a wonderful legacy in his two boys. He will be greatly missed and remembered fondly by the entire Dearen Family who loved him dearly. Our thoughts and prayers are with you.

He was a very proud and loving father to his children and he had a lot of love for his family and his friends. May God wrap his arms around you and help you through these trying times. “ *There are so many memories of JD in our hearts we cannot begin to describe. The happy little boy to the father of two wonderful boys of his own. Always there to lend a smile and helping hand to anyone, asking nothing in return. Loving and respectful of his elders and teaching the same to the younger. We enjoyed the times we had with JD and Shirley as children and enjoyed watching them grow into adults to be proud of. Life will be emptier without you, Bo, but was full because of you.
