“ I've known Jerry Don for probably 30 years he was a very good friend of mine. He was there for me when I got down and sick and that will be something I will never forget. I feel bad because I did not go see him when he was really bad ill but I wanted to remember him as he was and not being ill. He was truly a good friend and he will be missed. My heart goes out to Donna and the rest of the family.
