“ We were in Mexico on vacation last week... John's daughter Sandy had left a message for me on my cell phone, but did not show up until today May 17... so sorry to hear of Jerry's death. I have many fond memories of Corsicana and my Uncle Troy and Aunt Katherine... Barbara and I are about the same age and spent many fun times there in the summer. What a blessing to have loving family to share life.
Our condolences to your family and friends. Linda Fry

“ I was so deeply saddened to hear of Jerry's passing. He was a wonderful person. Even though I had not seen him in years I often thought of him and, like everyone, wished I had seen him more. You sometimes take for granted that family is always there and when they are suddenly gone, it leaves a hole in your heart. Just hold on to the wonderful memories Jerry has left us and know in your hearts that we will get to see him again someday!

“ To Vicki and all of your children - I'm very sorry to hear of Jerry's
passing. He was definitely one of a kind. Stay close to God and
you'll see him again someday. You have tons of stories about him to
tell your grandkids, don't ever stop doing that. I don't know what it
would be, but let me know if there's anything I could do to help.

“ I can't begin to express the loss I, along with many others, feel. I've known Jerry since Collins Jr. High. After all, he's the man who taught us all how to do the "hand fart" which came in handy (pardon the pun) in many classes. THE SNAKE was one of a kind. To Vicki and the rest of the family, please know that we will all feel a very big hole in our hearts forever. Atay strong...BO
