“ I still can not believe that your gone. The lump in my throat and the ache in my heart is almost unbearable. I can't stop the tears from falling from my eyes. I feel like you left too soon. I know that God makes no mistakes and that his plan is perfect, but there were things between us that were left unsaid. I will never get the chance to tell you that I love you again. I will never get the chance to tell you how much I miss you. I will never get the chance to wrap my arms around you and lay my head on you chest and feel, just for a second that I am safe from all sadness and hurt as long as I was in your arms. You always made me feel safe. The smile on your face and the twinkle in your eyes made everything for a moment stand still. Believe it or not, I needed you, I wanted you.. I still need you and you are gone. I pray that one day God will clear my heart and mind of any regrets that I have and all of the pain that I feel. I will miss you forever, until we meet again! ~Love Always, Your Baby Girl ~Sloane

“ I met Bruce and Chelly about ten years ago and I remember thinking he was such an intimidating guy with his ruggedness, booming deep voice and large stature. As I came to know them, I found that he was a big teddy bear in disguise full of wisdom and love for his family. In times of need, he was always there to lend a hand. My heart and prayers go out to his family as he will be incredibly missed. Please know that he is always and forever in all of our hearts and he is watching over his family until he sees you again in heaven. I love you, Chelly and Lacey! Love, Holly McKenna
