“ I met Jerry in 1976 when I started dating Gary. He was always a gentleman who was upbeat, even-tempered and a good conversationalist. He was definitely a jack of all trades and, if you needed help, he would be there. I know many will miss him, none more than you. It was so nice speaking with you last night (except for the reason we were there). If you need anything or just want to talk to someone, I am just a phone call away. John G. can give you my contact info. Kindest Regards, Kathy Stewart

*I will always have special memories of the time that we met Jerry and how happy he made Carolyn. They loved to do things together and travel. But my most treasured memory will be hosting their wedding at my home. It was exciting and it was fun, but mostly it was blessed by God and the love they shared was timeless. Sending thoughts and prayers for today and in the days ahead.*
